

ACEM Accredited Special Skills Placements

06/06/2020

Special skills placements are accredited by ACEM for 3 or 6 months of Non-ED training time.

* Provisional Accreditation

Provisionally Accredited Special Skills Placements are placements that have not yet been inspected by the Accreditation Inspectors for ongoing accreditation (Category A) status. Once a trainee has been appointed to a Provisional SSP, the site will be inspected towards the end of the trainee's placement to determine if it meets the requirements for ongoing Category A accreditation.
